To,  
The District Police Chief  
Kannur, Civil Station  
Kannur 670 002

Sub: Letter of Appreciation  
Ref: NOC for NORI (No Obligation to Return to India)

Respected Sir,

This has reference to the subject cited above for my son S. [redacted], who is currently doing his Ph. D. in United States of America.

I have visited your office along with my wife in connection with NOC for the above certificate. I am very pleased to share with you that it was very satisfying experience. I interacted with police personnel of District Special Branch, Foreign Section and Chakkarakal police station regarding police verification for Passport Office, Chennai and Home(G) Department at Secretariat in Thiruvananthapuram. The officers and officials in your department were extremely cordial and helpful. We found them very sincere, dedicated and working with sense of purpose and service to the people of Kerala. These employees bring glory not only to the police department but also earn respect and trust of people in the state.

I wish to add that these officers and officials showed exemplary sense of duty and were very cooperative and service oriented. I am really moved by their suave nature and meaningful cooperation. Since, I always lived outside Kerala (I was born and brought up in Madhya Pradesh and worked for Oil and Natural Gas Corporation for 35 years before settling down in my native place in 2018 after retirement), I observed that police personnel in Kerala stand apart from the rest of Indian states in the sense that they are men and women of integrity, honesty and service oriented for common people.

Lastly, I express my gratitude for your inspiring leadership which I am sure keeps your forces motivated to serve the common men and women of Kerala.

With kind regards,

*Kanak R. Nambiar*
